

Enable OTA

Go to “Profiles”, click “Create Profile” and click “Android”.

The screenshot displays the MDM console interface. The top navigation bar includes links for Home, Device Mgmt, Inventory, Enrollment, Reports, Admin, and Support. The left sidebar contains a 'Manage' section with 'Profiles' highlighted, and a 'Tools' section with 'Announcements' and 'Remote Control'. The main content area shows the 'Profiles' management page. A '+ Create Profile' button is highlighted with a red box. Below it, a dropdown menu is open, showing options for iOS/iPadOS, Android, Windows, Chrome, macOS, and tvOS. The 'Android' option is also highlighted with a red box. The main table lists four published Android profiles. The table has columns for Platform, Created By, Last Modified Time, Creation Time, Latest Version, Associated Groups, Associated Devices, Profile Status, and Action. The bottom section includes 'Quick Links' for 'How To's', 'Knowledge Base', and 'FAQ', and a 'Need new features?' section.

Go to “Group & Device”, click “Action” and click “Associate Profile”.

The screenshot displays the Microsoft Intune console interface. The top navigation bar includes tabs for Home, Device Mgmt, Inventory, Enrollment, Reports, Admin, and Support. The left sidebar shows the 'Manage' section with 'Groups & Devices' highlighted. The main content area shows the 'Groups' tab with a table of groups. The 'Action' dropdown menu is open, showing options like 'Associate Profile', 'Distribute Apps', 'Distribute Content', 'Remote Restart', 'Remote Shutdown', and 'Clear App Data'. The table below shows two groups: 'hhytest1' and 'hhytest'.

	Group Name	Group Type	Profile Count	Apps Count	Content Count	Modified by	Modified Time	Action
<input checked="" type="checkbox"/>	hhytest1	Device Group	0	0	0	HHY	Dec 2, 2024 06:19 PM	...
<input type="checkbox"/>	hhytest	Device Group	1	2	0	HHY	Nov 27, 2024 02:44 PM	...
