

# SOTI

**This slides is to show how to enroll SOTI on devices.**

**Enroll with QR code(recommended)**

Click “Android Enrollment QR Codes” and click the QR code profile.

The screenshot displays the SOTI MobiControl interface. On the left, a sidebar lists various policy categories: Apps, Compliance, Enrollment, File Sync, Signal, Device Relocation, Data Collection, and Alerts. The 'Enrollment' category is selected, and within it, 'Android Enrollment QR Codes' is highlighted with a red rectangle. The main content area shows a table of Android Enrollment QR Codes. A red box highlights the 'hhytest' entry in the table. The table includes columns for Name, Description, Enrollment ID/URL, Created Date, Last Modified Date, Created By, and Modified By.

**Android Enrollment QR Codes (1-8 of 8)**
